

CA Goals and Objectives of Service Center Administration

CA

The goal of education service center administration is to create an environment which encourages entrepreneurship and ensures quality programs. The executive director must possess leadership qualities which motivate all staff members to improve the educational program and to attain the board's goals and objectives. The executive director, with the board's direction, shall mobilize and coordinate all available resources to develop programs designed to maintain continuous improvement and appropriate expansion.

Approved: SCKESC Board of Directors 10/01/2008
