

**CE Service Center Executive Director**

**CE**

The executive director is the service center's administrative leader and shall have, under the board's direction, general supervision of programs, personnel and departments of the center. The executive director is accountable to the board and is responsible for managing the service center in compliance with board policies.

The executive director may delegate powers and duties to other service center personnel. Delegating power or duties, however, shall not relieve the executive director of responsibility for any action taken.

Approved: SCKESC Board of Directors 10/01/2008
