

EBA **Insurance Program**

EBA

All service center-owned property, real and personal, will be insured to cover losses from natural causes, fire, vandalism and other casualties. Insurance shall also cover theft of service center monies.

Liability Other Than For Vehicles

To the extent permitted by law, the board may insure all employees against legal action arising out of the performance of any authorized duties. The board may authorize the service center to join a group-funded pool to provide insurance coverage for the service center.

The service center may designate one or more insurance agents of record. The executive director may work with the insurance agent of record or group-funded pool to develop adequate insurance programs and/or proposals covering the service center's employees and property.
