

Inspection

Regular inspection of service center facilities for hazardous waste shall be conducted by trained personnel. Written records of these inspections shall be maintained.

Disposal

When hazardous waste material is located in the service center, its disposal shall be in accordance with state and federal rules and regulations, or current law.

Rules

The executive director shall develop written rules and procedures for notifying service center personnel that hazardous waste has been discovered and/or produced and rules for reporting the proper disposal of waste. These rules and regulations shall be distributed to all staff members.

Approved: SCKESC Board of Directors 11/2008, 9/2014
