

The board of directors prohibits bullying in any form, including electronic means, either by any student, staff member, or parent towards a student or a staff member on or while using service center property, in a service center vehicle or at a service center-sponsored activity or event. For the purposes of this policy, the term “bullying” shall have the meaning ascribed to it in Kansas law.

The executive director shall purpose, and the board shall review and approve a plan to address bullying as prohibited herein. The plan shall include provisions for the training and education of staff members.

Staff members who bully others in violation of this policy may be subject to disciplinary action, up to and including suspension and/or termination. If appropriate, staff members who violate the bullying prohibition shall be reported to local law enforcement.
