

GACE Assignment and Transfer

GACE

The Executive Director shall have full authority to transfer or reassign personnel according to the needs of the Service Center within the policies of the Board and shall notify the Board in a timely manner. Employees shall not be reduced in salary through such transfer or reassignment except for cause, which may include the elimination of a position. Employees shall not be reassigned to positions for which they do not hold current certification or licensure.

Approved: SCKESC Board of Directors – 3/3/2010
