

The use of tobacco products in any form and/or of any nicotine delivery method is prohibited for staff members, guests and customers in or on any property owned, leased, rented or operated by the service center and in service center vehicles. For the purposes of this policy, “nicotine delivery method” means any product or device that can be used to deliver nicotine to the person. Such definition shall include, but may not be limited to, electronic cigarette, cigar, cigarillo, pipe, or personal vaporizer. The use of FDA approved nicotine cessation products and nicotine/tobacco cessation programs are supported and encouraged by SCKESC.
