

E-FLEX
FLEXIBLE CREDIT
COMPLETION

A SIMPLER WAY TO GET BACK ON TRACK

A flexible way for high school students to earn credit through our comprehensive online curriculum!

Our E-Flex program is designed to provide students and school districts with high quality, online courses that will fit into busy school schedules. We work directly with high school counselors to identify the E-Flex courses that best meet student's individual learning plan.

Several attendance options are available depending on each student's specific academic plan. Students can attend within their school building, at one of our conveniently located sites, or online from home. A computer and Internet connection is required to access our online courses.

How to Enroll:

- Pick up an E-Flex form from your school counselor.
- Take the form to one of our ORION sites to enroll
- Payment will be made at the time of enrollment

\$175
per course

UPCOMING 2019 ENROLLMENT DATES:
